

THE BERYL INSTITUTE

Transforming the Human Experience Globally

As a pioneer and leader of the experience movement and patient experience profession for more than a decade, the Institute offers unparalleled access to unbiased research and proven practices, networking and professional development opportunities and a safe neutral space to exchange ideas and learn from others.

A COMMITMENT TO SUPPORT THE REGION

TRANSLATED RESOURCES

In our commitment to expand the global patient experience conversation, The Beryl Institute has created translated resource pages for our community around the world. Our resource pages available in six languages, including Arabic. **Scan the QR code to learn more:**

GOLD INITIATIVE CERTIFICATE

The Beryl Institute, in partnership with the Arab Hospitals Federation, is proud to support the Gold Initiative Certificate. This is a distinguished recognition awarded to healthcare organizations that excel in delivering patient-centered care and foster exceptional healthcare experiences. It honors leading healthcare institutions that demonstrate a strong commitment to innovation, quality, and patient satisfaction while serving as a benchmark for healthcare transformation.

FUNDAMENTALS OF PATIENT EXPERIENCE

COMING SOON: This virtual interactive certificate program is offered via PX University (PXU) at The Beryl Institute. Participants will engage in learning and conversation on the fundamentals of patient experience and build foundational knowledge to support their journey of development as a patient experience professional. This course is taught in Arabic with local PXU faculty who will help to apply the global fundamentals to local context and application.
